1. The reply filed on January 5, 2006responsive to the prior Office Action because of the following omission(s) or matter(s): Newly submitted claims 13, 15-20, 22 and 23 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons:

Inventions the original set of claims and the newly submitted set of claims 13, 15-20, 22 and 23 are related as subcombinations disclosed as usable together in a single combination. The subcombinations are distinct if they do not overlap in scope and are not obvious variants, and if it is shown that at least one subcombination is separately usable. In the instant case, subcombination newly submitted claims has separate utility such as in a device not requiring an air management system and cleaning basket. See MPEP § 806.05(d).

2. Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 13, 15-20, 22 and 23 withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

3. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
